□ Referral Partnership Program

We're happy to offer you the chance to earn with us by sharing your personal promo code. Your friends or followers get a **10% discount** on their order, and you receive **10% cashback** — a win-win!

□ How it works:

- You'll receive a personal coupon (promo code) valid on our website — driadashop.to.
- Anyone using your coupon will receive a **10% discount** on their order.
- You'll earn **10% cashback** from the order total (excluding shipping).
- Your coupon can be used **multiple times** with no limit — every new use earns you a commission.
- Commissions are paid in **store credits** or via **crypto transfer** to your wallet.

□ Conditions:

- Commissions are paid **only for new customers** placing their **first-ever order** at our shop using your code.
- During **major store-wide sales**, your coupon will provide a **1% discount**, and your commission will be adjusted to 5%.
- At the **end of each month**, we'll send you statistics on orders made with your promo code.
- Payouts are made on the **10th of each following month** (e.g., April's commission is paid on May 10).
- Your coupon is valid for **6 months**. If it expires, you can request a renewal.
- If your coupon is **not used within 30 days**, it will be **automatically deactivated**.
